

# St. Kevin Summer Camp

## Welcome Letter

---

Welcome to St. Kevin Summer Camp 2022! We are very excited to start the summer with all of our wonderful campers! We have a lot of fun and exciting things happening in camp this summer. We have been able to bring back a lot of our activities, such as field trips! We are very hopeful that the campers will have a great time at St. Kevin Summer Camp. We look forward to a great and safe summer!

## Camp Information

- Camp hours are from 7:30 am to 5:30 pm.
- Please enter through the long, green canopy on the side of the school. This is the side closest to the chapel.
- Arrival will be done at the double doors. There will be camp staff at the door to sign in your child. Then a staff member will walk your child to their class. **FIRST DAY OF CAMP-** parents will be allowed to walk their children to their camp classroom doors. This way you can meet your child's counselors and ask any questions you may have. We ask that you drop off your child at the door, but do not enter the classroom. Due to COVID protocols, we can not have parents inside the classrooms.
- Dismissal will also be at the double doors. You will need to sign your child out of camp. Only those authorized on the campers contact card will be allowed to sign out the child. Camp staff will then call for your child. The camper will be walked to the front entrance and be handed to the person picking them up.
- Please be patient with us during dismissal. ID will be asked of the person picking up the child to check for authorization purposes.
- All camp payments must be made before the **beginning** of each week or the Friday prior to the week. Payments can be made online or via the camp

office. We accept cash, checks, or credit cards. Please know that a fee will be attached to the credit card orders.

- Face masks are currently optional for our campers and staff.
- Campers will be allowed to bring a bin or a bag to store their personal items inside.
- Each camper is asked to label all of the items that are brought to camp.
- We kindly ask that each camper bring the following items labeled:
  - Diapers and baby wipes (if your child is not potty trained)
  - Change of clothes in case of accidents.
  - Mats or sleeping bags, with any blankets and pillows, for nap time (2-5 year old campers).
  - Older campers may bring in blankets or sleeping bags for quiet time inside the classroom (movie time, etc).
  - Refillable water bottles.
- Please make sure to apply sunscreen to your child/children before they come to camp.
- Make sure to check the information board (located by the camp doors), Instagram, and emails for reminders or announcements.
- The 7-13 year old campers will be allowed to go on field trips this year! These field trips have an additional charge. You would need to sign up your child for the field trips by the due date. You may find field trip costs on our camp website. You may also pay for these field trips on our website or at the camp office. Once the field trip due date has passed we will not be able to add any camper to the field trip list.
- All campers will visit our concession stand daily. The concession stand sells many different types of snacks. The campers visit the stand in the afternoons. You may send cash with your child or buy them a concession card. The concession cards can be purchased in the camp office. It is a preloaded card (\$10 or \$20). The camp staff keeps the card, and as your child goes using it we mark off the amounts. Once the card has run out we will let the parent know.
- Lunch can be purchased through the camp or brought from home. Camp lunch costs \$5 a day. We ask that you please do not send in items containing peanuts as we have several campers with severe allergies. The

- If your child becomes sick or comes in contact with any person who is sick with COVID-19, we ask that you inform the camp office immediately.
- We will follow CDC COVID guidelines for any camper or staff that tests positive for COVID-19.
- Any child that falls ill during the day will be sent to the camp office. A staff member will notify the parent immediately.
- If you have any questions or concerns, you may contact the camp office by phone or email.
- If you have not picked up your camp materials yet (camp shirts and camp bag) please do so. These items can be picked up for the school's main office.
