Dear Parents,

Throughout the summer we will be taking pictures and film of special events at St. Kevin Summer Camp. We will be posting these photos on our website, weekly newsletter, social media, and end of summer camp slideshow.

Your child may or may not appear, but before having your child be filmed or photographed we would like your permission.

We are sure that your child will be happy to possibly see his/her photo used in one of these publications. The decision to include the photograph taken during the camp day of your child will be made by the camp directors.

Please sign the bottom of this page and return to St. Kevin Summer Camp.

Sincerely,

Sharyn D. Henderson, Ed. D.
Camp Director

I give permission for my child _____, to be photographed, filmed and/or appear in any publication described in his letter.
